Dear Mr. Gibson,

This letter is in response to your letter stating several concerns with the Amended 12 Day Pre-Primary Report filed by Cole for Congress. In your letter dated October 24, 2002, your report indicates that our response from October 15th was incomplete.

Please note that Greener Hook (Partnership) contributed \$2,000.00 on 7/26/02. The partners, Mr. Michael Hook and Mr. Bill Greener, both contributed \$1,000.00 each.

Please also note that the contribution from Mr. Clayton Bennett for the runoff election was refunded on 10/17/02 for \$10-00, check # 1259.

The committee has taken the necessary steps so this will not happen in the future. If you have any further questions please let us know.

Sincerely,

Rick Ronald Nagel
Cole for Congress
